

SVL®

SVL® 402 Ring and Pinion: Exceptional Performance & Value

SVL brand products are designed and tested to deliver performance and value you can depend on, making SVL the best choice to keep your vehicle rolling while protecting your bottom line.

When it comes to repairing or maintaining your vehicles, you can rest assured knowing all SVL products are engineered to meet the unique needs of the aftermarket and are backed by a six-month or 50,000-mile warranty.* We have gone the extra mile to conduct quality and durability tests to ensure product performance. In addition, we provide a level of service that is unmatched.

SVL Products: Value Driven

Value-Driven Options to Fit Your Budget

SVL® ring and pinions fit your heavy-duty vehicle—and they fit your budget. Quality steel, heat treatment, and machining come together to ensure reliable service and exceptional value. Each ring and pinion is backed by a six-month or 50,000-mile warranty. Refer to the chart below to identify the appropriate SVL ring and pinion kit for your vehicle.
